The information disclosure statement (IDS) submitted on 7/18/2006 (a duplicate of the IDS filed on 10/3/2005) was filed timely on both the aforementioned dates. The submission was in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner. The IDS was initialed and considered by examiner on 8/17/2006, but an internal error resulted in the initialed IDS not being sent to applicant, and examiner sincerely apologizes to applicant for any inconvenience this has caused. Applicant was completely correct in his filings, and did indeed even refile the document to ensure it was of record and considered, and the omission was in no way the fault of the applicant. Again, examiner apologizes.

Examiner notes that since applicant did have to file the IDS several times to receive acknowledgement of its consideration, the IDS was ultimately considered as being filed with/after an RCE but before an action, and thus no fee was charged. Examiner has verified that only 2 IDS fees were paid, for the IDS's filed 8/3/2005 and 9/9/2005. The 10/3/2005 IDS, although with a fee authorization, did not result in a third IDS fee, as the duplicate IDS was filed and considered after an RCE but before an action, and thus no fee was due. A printout of the fee sheet is attached for applicant's review.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Katherine W. Mitchell whose telephone number is 571-272-7069. The examiner can normally be reached on Mon - Thurs 10 AM - 8 PM.
